

COLLECTIONS 4.0 · SUCCESS STORIES

We recover your portfolio, from **181 days to over 6 years.**

We segment by likelihood to pay, work accounts by phone and in the field, and negotiate all the way to settlement.

The **#1 collections provider** for a consumer lender in Mexico

USD

\$1,800 M

in additional portfolio assigned to CANTEC

The larger portfolio came because of
our performance.

Today we are their number one collections provider
in Mexico.

**Your past-due
portfolio can become
cash flow again.**

Where do we start?
